EDUCATION

2018 - 2020 **MSc Interaction Design and Technologies**
Chalmers University of Technology

2015 - 2018 **BSc Software Engineering**
Chalmers University of Technology

EXPERIENCE

2019.06 - Present **UX Design Intern**
Ericsson

Together with another UX Design Intern, I was during the summer responsible for all UX related work to continue during the summer vacation. We designed a management portal and two applications. Conducted usability tests, interviews and observations. We worked closely together with the backend and frontend team for upcoming release.

2019.03 - 2019.06. **Teaching Assistant**
2018.03 - 2018.06 Chalmers University of Technology

I supervised the lab sessions in the course DAT216. The labs were in Java, JavaFX and CSS. I also supervised the design exercises - paper prototyping and usability testing.

2017.06 - 2018.09 **Sales**
Kungsängen

Summer and part time job where I sold handmade beds, with bed accessories. I was responsible for the store's daily budget and my personal monthly budget.

2012.08 - 2016.10 **Assistant Manager, Barista**
Condeco

Responsible for leading the ongoing work in the café concerning management and budget. Continuous working with profitability and monitoring the economic results. The role as assistant manager also included staff liability, scheduling, education and coaching of new personell.

PROJECTS

- Ongoing* **Personal website**
Made in Html and CSS.
- 2018.01 - 2018.06* **#museumgroupie**
Bachelor thesis
- An iOS application created for children at Universeum. This application enabled the children to experience the museum through collaborative photography missions. As the designer I developed several prototypes, which after testing and evaluation resulted in the final design which was implemented.

VOLUNTEER WORK

- 2018.07 - 2019.06* **Student Safety and Welfare Representative**
StyriT - The board of the student division
- As student safety and welfare representative I represented the students on the safety inspections of the work environment. Students could contact me if they were not feeling well for some reason. Regardless of what it would be, I helped them to get in contact with professionals who could help them.
- 2016.10 - 2017.09* **Member of the Board**
FlashIT - Photography Committee
- FlashIT is a student committee that arranges events for students that are interested in photography. The committee also documented the student division's events such as dinner parties, pubs, and other study related events.
- 2016.01 - 2016.12* **PR Manager**
P.R.I.T. - Premises and Pub Committee
- P.R.I.T. is the student division's committee responsible for maintenance of the student premises. The committee arranges pubs, karaoke nights, dinners among other events for the students. My role as PR-manager was to decorate the venues and market our events to students via social media and posters, which gave a lot of new contacts and I learned to combine school and extra activities.
